Quiverian

"Quiverian," the Indian name meaning "land of the golden promise," was chosen as the name of the annual in 1921 because it represented so well that patriotic spirit that is born in every true son and daughter of the "land of the golden promise"—Kansas. It is hoped you will appreciate the efforts of the staff in presenting to you a book that is a history of the term of 1953-1954.

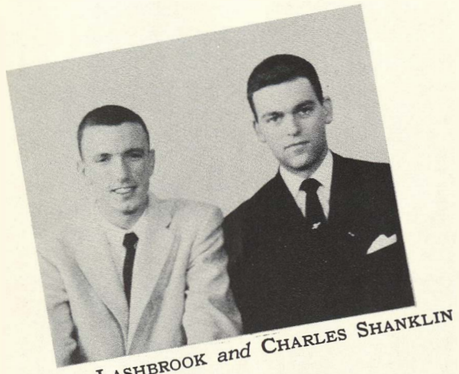
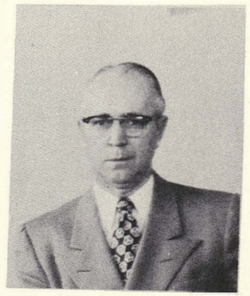
DEBATE

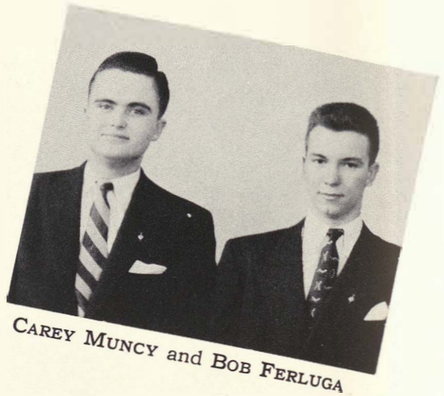
by Nicki Economy



BRAD LASHBROOK and CHARLES SHANKLIN



MR. JENSON



CAREY MUNCY and BOB FERLUGA

Many hours of hard work and study went into the preparation of this year's debate squad. The topic for the 1953-54 season being: Resolved—That the President of the United States should be elected by the direct vote of the people.

The debate team, under the supervision of Coach Leonard Jensen, consisted of Charles Shanklin, Brad Lashbrook, Carey Muncy, Bob Ferluga, Roger Wilson, Harold McDaniel, Marilyn Rawlins, Nicki Economy ,John Patton, Ed Keyes, Eleanor Knight, Darrell Knight, Martha Mason, Susan Mason, Joe McFall, Sherry Whistler, Ed Niemann, Joe Phillips, Jack Gorelick, Loren Taylor.

Starting off the season the debaters traveled to Fort Scott on October 30-31, but failed to place. Two weeks later with spirits still high, the Jensenites went to Atchison where they took first place in the sophomore division.

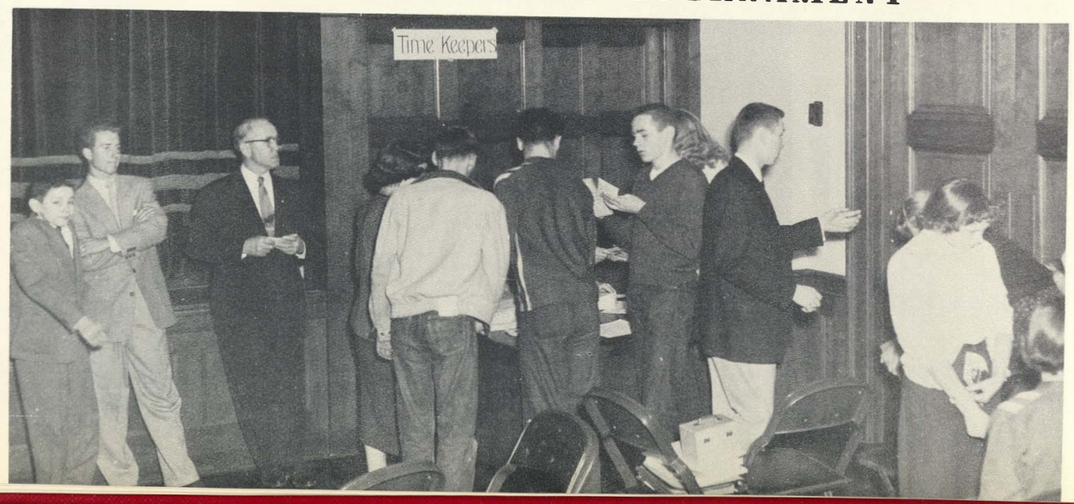
Following their first victory, the Bulldogs accepted Topeka's invitation and on November 20, Charles Shanklin and Brad Lashbrook entered the semi-finals only to be defeated, thus taking third place. December 4-5 was a double event. Coach Jensen split up his squad, sending half to Shawnee Mission and the other half to El Dorado. Charles Shanklin and Brad Lashbrook took second place at El Dorado, being defeated in the finals by Hutchinson. December 11-12 sent the debaters to William Chrisman but their efforts were once again in vain.

At the first tournament of the new year at Olathe, novice debaters John Schick and Ward Brenneisen took third place, failing to get into the finals by a flip of the coin. January 8-9, the team again traveled to two events, one was held at Emporia and the other at North Kansas City, Missouri.

The following week Wyandotte was host to 23 schools at the annual Wyandotte Debate Tournament on January 15-16. Hutchinson was the lucky team, taking first place for the second consecutive year. As usual, the Wyandotte debaters did not compete for their own trophy.

The regional tourney was held at Lawrence, January 23. Shanklin and Lashbrook along with Muncy and Ferluga represented Wyandotte at this main event but they did not win enough debates to enter the finals. Thus, another season of debate ended with those involved having gained experience, self confidence and above all, the ability to express themselves well.

WYANDOTTE DEBATE TOURNAMENT



KAY CEE OFFICERS

by Mildred Swim and Janet Hackel

"Yea Wyandotte!" "Let's go Bulldogs!" These could well be the words heard from about four hundred Kay Cee members, cheering our football or basketball team on to victory.

The membership of the pep club is history-making in size. The reason being the newly adopted constitution. This is the first year that anyone may join—be they sophomore, junior or senior as long as they fulfill the requirements. A new freshmen "pep club" has also been organized. They too must fulfill the same requirements as the upper classmen. This new system has worked very successfully under the able leadership and guidance of Mr. William McIntire, the sponsor, or "Mr. Mac" as he is affectionately called.

The Kay Cees sponsored three big dances: the Fall Festival, the Spring Festival, and the Spring Formal. A play and two athletic banquets were also on the agenda. We're sure everyone holds memories of at least one of these occasions.

To belong to the Kay Cees is a high honor and to students wishing to join it is a challenge to make your years at Wyandotte memorable ones.

Back row, left to right: Carey Muncy, president; Mr. McIntire, sponsor; David Nance, sergeant-at-arms.
Front row: Pat Sutton, secretary; Ellen Proudfit, vice-president; Shaaron Steeby, treasurer.

At the studio they make a tape recording of their program which is presented on Sunday afternoon at 4:15 p.m. News and interviews, panel discussions on teen-age problems, dramatic presentations and talent shows have been on the agenda for this past year. It takes a lot of initiative and a tremendous amount of work, of which Mr. H. A. Billingsley receives his share, to get everything off smoothly. Through the strains of their theme song, "Jet," someone says, "That's all kids. Nice show."

A student is eligible during any year, freshman, sophomore, junior or senior and may maintain membership if grade, ethical and moral standards are maintained. The student must have a grade average of a two in art and at least a three in all other subjects, including art and no failure grades. They submit ten pieces of original work done during the year and the subjects are to be done in three different mediums. To gain membership they must receive at least two out of three votes of three competent judges. They then put up a "One Man Show" at the spring exhibit which follows the induction ceremony. Last year seventeen people were accepted as charter members to the Wyandotte Chapter of the National Art Honor Society, of these, nine are still at Wyandotte. Miss Hughes is the sponsor.

VARSITY '53

by Shaaron Steeby

Eight determined returning lettermen led the mighty Bulldog gridsters through a good season to capture the title of City Champions. Their enthusiastic intentions really took shape when they trampled easily over Central in a traditional opening victory.

Featuring a tough, hard-charging line, together with an equally fast and versatile backfield, the Canines were more than ready to raid the Shawnee-Mission teepee. With less than 1 minute left in the first half, Shawnee tackle Dick Galamba intercepted a pass on his own 24 and raced for the Bulldog goal. Only the speed of Don Smith, who brought him down on Wyandotte's 14, saved the Bulldogs. Although statistically it was definitely Wyandotte's game, the contest ended when Wiley was stopped only 2 yards short of pay dirt.

After defeating Central 26-0, and tying Shawnee Mission 0-0, the rugged Bulldogs were ready to pull a repeat performance of the first game on Leavenworth—and did. They left the Pioneers stunned by a 34-0 defeat. Next came Benton of St. Joseph. In the first meeting of the two schools, Wyandotte rolled right past the Cardinals in a 39-7 victory, which was the first time a team had managed to break through our powerful line for a touchdown. The Canines then marched toward Argentine. With Wiley running around right end and Blanchard racing 87 yards for touchdowns, the Ellismen defeated the Mustangs 19-9. They followed a 13-0 victory over Ward.

With the season little more than half over, all attention was turned toward Topeka and the top tussle of the season. The slightly favored, quite capable eleven of Wyandotte never quite found themselves that night. The Trojans left us with a heartbreaking 26-0 defeat over which to ponder. In the contest at Lawrence, Collins picked up a Lawrence bobble on our 21 and raced all the way for a touchdown. Because of a clipping penalty the score was nullified and the ball placed on the Lions 45. Kohler flipped a screen pass to Garrison who then sprinted 43 yards for the touchdown. Linemen Laddish and Harman turned in exceptionally outstanding performances against Lawrence. The resolute squad battled the stubborn Lions the entire contest which ended in a 7-7 tie. The Bulldogs next entertained the Northeast Vikings. With Moles gaining 115 yards on the ground and Kohler throwing for 110 more, Wyandotte won 34-14. In a muddy afternoon contest with Salina, the finale of the 1953 season went to Wyandotte in an 18-7 triumph with Kohler scoring two touchdowns and passing for the third.

Our fine squad was captained by Ron Wiley, halfback; George Laddish, tackle, and Dick Harman, center. Thanks go to head coach Ed Ellis, and his assistants, Dick Channel, Rex Hoy and Carter Burns. This year's unsung heroes, the men behind-the-scenes, were Bob O'ffill, Gary Gruendel, and Norman Dunwoodie who very ably managed our great team. The 1954 captains-elect are Warren DeGoler and Larry Barcus.

The following boys were chosen on the various all-star teams: All-state Third Team—Laddish; Northeast Kansas First Team—Wiley, Second Team—Laddish and Kohler; All-City First Team—Laddish, Wiley, Harman, Blanchard and Kohler; Second Team—Collins, Day and Katz; Honorable Mention—Wagner, Payne, Garrison and Smith.

23 in a Row - Three Titles

by Shaaron Steeby

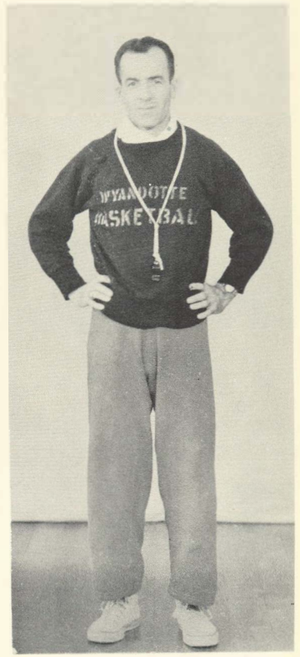
Little did every loyal Wyandotter suspect that December 4 was to be the beginning of the most successful season with the most heartbreaking ending that they were ever to witness. After a terrific 1952-53 season the Canines returned with even greater determination.

They began proving their intentions by trouncing Leavenworth in the opening encounter 62-45. Facing the rebuilt team of Shawnee-Mission, the confident Bulldogs revenged the Indians with a 52-35 victory. Too soon, Red and White fans began hearing strains which strangely resembled those of "Let's take state." Next in line were Southwest, Argentine and North Kansas City. In the latter contest, Big Ray Johnson, who was shaping up to be a main cog in the cagey aggregation, led the attack on Northtown with 29 points. Topeka, who was rated as one of the top teams in Kansas failed to stop the Canine attack and surrendered 51-48.

Extending their winning streak to seven straight games, the crafty quintet coasted to a 58-39 win over Emporia on the loser's court. With Bill Bennett out due to sickness, Johnson and Ed Kohler carried the main scoring load by accounting for 40 of the Bulldogs' 58 points. Returning to our own court, the victorious basketeers toppled the Washington Wildcats and Ward Cyclones to the tune of 61-34 and 76-45, respectively. With 12 seconds left in the final tilt of the Invitational Tournament, Bennett sank a short jump shot from the side to give Wyandotte a squeezing victory of 51-50 over the Parsons' Vikings. Bennett's game-winning basket gave the Bulldogs the only lead in the entire rally.

The Big Five, Ron Wiley, Kohler, Bennett, Lloyd Martley and Johnson, next met Rosedale. They added another mythical city league victim to their list by walloping the Wildcats 59-40. The Burnsmen made it thirteen straight when they cornered the hustling five from Ft. Scott, 62-47.

The Bulldogs then journeyed to Capitol City. With Kohler and Wiley both carrying three fouls at half-time the Bulldogs were unable to drive as aggressively as usual. However, they made a triumphant come-back in the third stanza and easily edged out Topeka, 55-49.



COACH CARTER BURNS

Remaining the only undefeated AA team in the state of Kansas, Wyandotte used their superior height and experience to shellac Lawrence 78-39. "Bevo" Johnson led the attack with 23 points followed by sophomore Tom Lewis with 15. With ace rebounding and smooth floor play, the red-hot "W" team continued their torrid pace throughout the remainder of the season with wins over Emporia, Argentine, Shawnee and Ward.

Having established for themselves an envious record of 19-0 and the first undefeated season in twenty years the Canines eagerly trekked to Shawnee for the Regional Tournament. After winning a bye, Wyandotte met Argentine. Their cool methodical play enabled them to absolutely stun the Mustangs 65-27. The Ferocious Five found it easy to sweep aside Shawnee 60-44 to make it 21 in a row. Top rebounding honors went to Martley for the night as potent forwards Johnson and Bennett paced the "W" team with 21 and 18, respectively.

Thus, Wyandotte was off for Manhattan and the Kansas state class AA championship play-offs. A red-hot band of Bulldogs mercilessly clipped the upset minded Columbus club with a one-sided victory 64-36 in the first round. In this game, however, Bennett suffered a severe back injury which hospitalized him several hours and slowed him down considerably in the remaining two contests.

Now they faced the Topeka Trojans whom they had beaten twice previously. Trailing 54-55 with two seconds remaining, Wiley confidently stepped to the line and bucketed two free throws, as no one else could have, and Wyandotte had won again. This hair-raiser had been an uphill battle for the Canines who somehow lacked the sharpness that drove Columbus into the ground the previous evening. Immediately following the contest, ace center Martley was stricken with strep throat.

Wichita North, who had taken third place in our own Invitational Tournament, had come through in their bracket and so it was the Redskins vs. the Bulldogs in the major tilt. Never before has any team completed an undefeated season and emerged the state champion. With Martley and Bennett playing under definite physical strain, this was one time, only once, when Wyandotte could not stage another whirl-wind finish. Sporting all-state guard Joe Stevens, who was good for 35 points, the Canines bowed to North, 63-55.

Individual honors: Ray Johnson—all-city, all-state tournament teams; Bill Bennett—all-city, all-state tournament teams; Ed Kohler—all-city, second state tournament teams; Ron Wiley—second all-city, second all-state tournament teams; Alan Donaghue—all-city honorable mention; Lloyd Martley—all-city honorable mention.

SWIMMING

by Shaaron Steeby

Sporting eight returning lettermen and several promising sophomores and juniors, Coach Delvin Norris developed a fine tank team this year. After the annual intra-squad meet, the energetic Waterdogs opened the regular season in the Topeka pool with a 35-31 victory. Led by diver Dick Eberhardy and a medley relay team composed of Jerry Sprague, Jim Shearer and Jim Briley, the Canines dunked Wentworth Military Academy with a decisive victory of 50-16. Wyandotte was handed its first defeat of the 1953-54 season when Wichita East, led by Jeff Farrell, splashed past 36-30.

The Waterdogs next traveled to Wichita for a quadrangular swimming meet with the teams of Wichita East, North and West. Losing the freestyle relay to a powerful East squad, but barely defeated 35-31, the determined Canines came back to dunk North 58-8 and West 40-26. After this meet Sprague emerged the only undefeated tankster, with Shearer and Eberhardy both losing their undefeated crowns to East. The Canines splashed to their sixth victory in eight starts when they downed Wentworth 50-16. Wyandotte took seven out of eight starts. In the final relay of the Wichita North-Wyandotte meet the Waterdogs added the seventh win to their string by a score of 40-26. Coffeyville, who has had the state championship since 1948 defeated Wyandotte in our own pool. Our tanksters took second and third places plus a first in the freestyle relay to amass the highest number of points a Coffeyville opponet scored this season.

In the finale of the regular season Wyandotte downed Kemper, 58-8. The Bulldogs wound up the year by taking third place at Wichita in the state meet. They swam for a total of twenty-eight points. This year's finsters were captained by Jerry Sprague and managed by Jack Stanley.

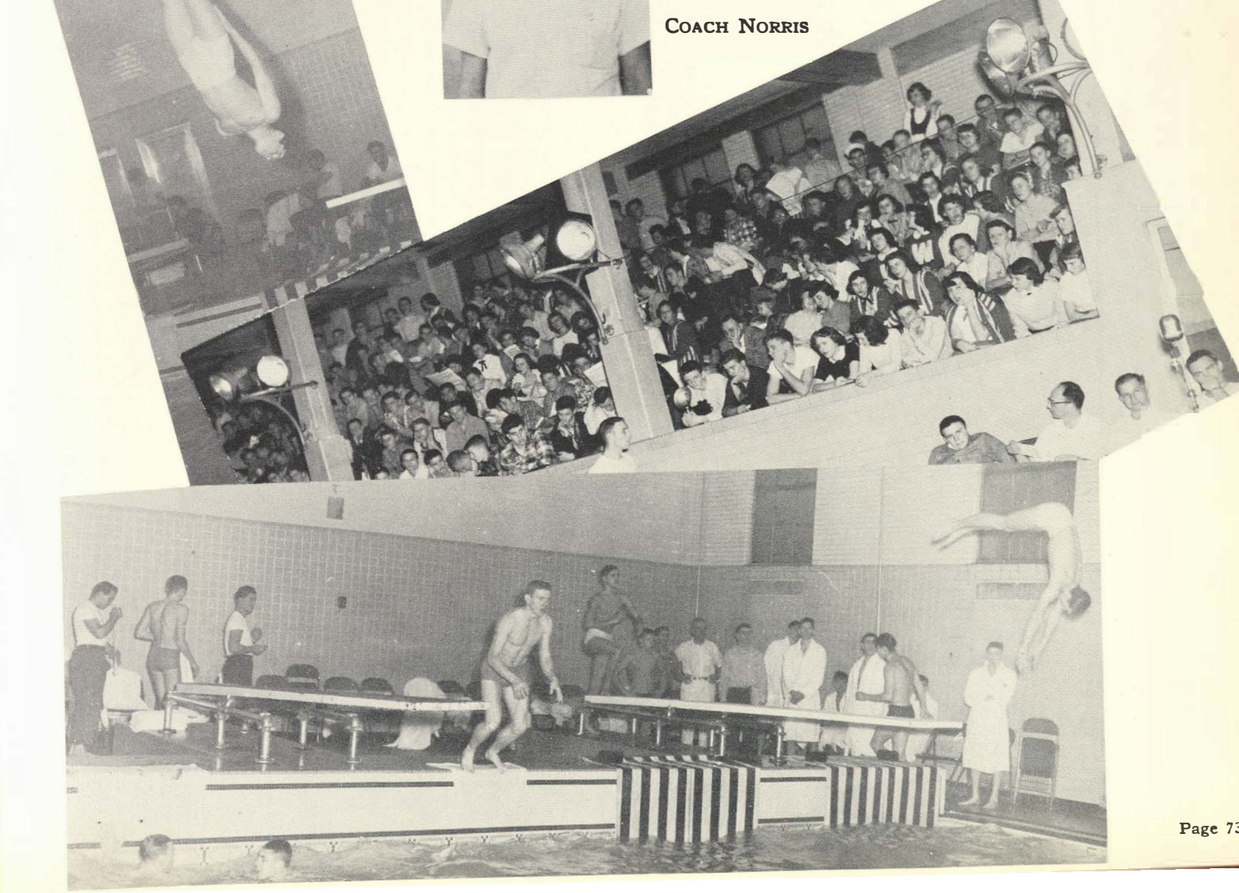
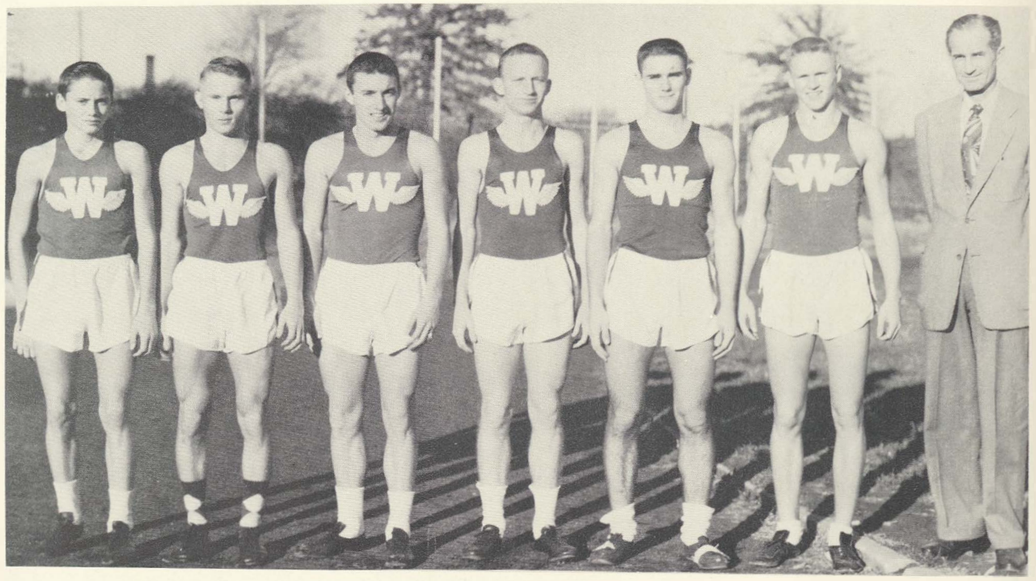
COACH NORRIS



CROSS-COUNTRY

by Susie MacNeal



Left to right: Tommy Barnett, Tom Gragg, Roy Hicks, Larry Tharp, Ron Gast, Bill Bollinger, Coach Starbuck.

For the first time in several years Coach Paul Starbuck's Cross-Country Team had a full schedule of fall meets. Wyandotte placed first in two triangular meets with Shawnee Mission and Olathe, then took third, fifth, and eighth in the larger meets. Larry Tharp led the local harriers with two seconds and a third. Tom Gragg had two thirds and a fourth, while Roy Hicks ran to two fourths and a fifth. Bill Bollinger, Tom Barnett and Ron Gast also ranked in meet scoring.

TUMBLING

Tumbling was revised at Wyandotte in 1947 by Mr. Orville McHenry. Although the tumblers do not compete against other schools, they give a number of exhibitions during the year. Everyone who has attended one of Wyandotte's home basketball games has seen a halftime exhibition of their ability and skill. The team gives exhibitions at churches, schools, and other organizations. Special letters are awarded to members who qualify for them. Bill Davis is captain and Mr. McHenry is coach.

Back row, left to right: Kenneth Shoemake, Lloyd Wing, Sam Howard, Wesley Wilson, Reece McNeil, Wilbert Caton, Bill Davis.

Second row: Don Sanders, Rollie Harvey, Harold McPherson, Jerry Ayers, Dick Kost, Bob Palmer, Mr. Orville McHenry.

Front row: Harry Carey, John Penny, Marvin Cramer, Dan Gardner, Jack Stimac, Jim Boosman.

Not in picture: Richard Ottens, Carl Webb, Dale Patterson.

"1994"

by the editors

On the Earth to Mars rocket ship, we glance across the aisle to notice Dick and La Doris Harman, accompanied by Nath and Dick Hart, who are going to confer with the mad scientists, Jack Gorelick and John Schick, on interplanatory astronomics. As space hostess Janet Davies gives us our air cushion, we notice Shaaron Steeby offering a space pill to the very green George Laddish. As we land on Mars, Captain Paul Corbett and Co-Captain Jim James assist us off the ship, to be greeted by the city's welcoming committee, Dugan Cowan, Don Smith, and Roy Hicks. They show us to the control tower, where Marvin Moles, Gene Kane, Glenn Smiley and Mary Lou Vose are busy scheduling trips. We then hail a Jet Bus driven by Duane Osborne. When we drop in front of the Bennett Hotel, Bud Collins and Bob Reed take our gear. As we stop in the lobby to have an Allvine-shake, we notice waitress Susie MacNeal talking to chef Francis Rath. On the way up to 326, we see Janet and Charlie Nichols demonstrating "something new" in modern space clothing, designed by Jan Tice and Jan Coffman.

We freshen up to start on the tour of the city. Two doors down the street is the (Joan) Phillips College. We visit some of the class rooms where we notice Mildred Swim teaching modern studies and in the corner stand George Bigelow and Don Scott who have been ba-ad boys. In this college, Shirley Jackson is trying to teach modern dancing to Lloyd Martly, Wayne Katz, Doug Day, and Fred Derge. Their partners are Carol Garnier, Janet Hackel, Pat Cox, and Nancy Fujisaki. We leave this college to dine at Chanowski's exclusive restaurant, where pretty hat-check girl, Virginia Gilbreath, greets us, and head-waiter, Larry Tharp, shows us to our seats. On the entertainment bill are singers Ron Wiley and Ann Reid. Sax duet by Terry Williams and Harold Short. In the chorus line are Robbie Denny, Carol Lemmon, Gail Shipman, Virginia Briegel, Delores Skaggs, Ed Kohler—WHO?—and Marie Reece.

We see a superb swimming act with Janet Larson and Dick Van Hooser diving into the Hypodrome where the Waterettes, Jim Shearer, Betty Lou Douglas, Kenny Faerber, Jerry Sprague, and Marilyn Richards are doing their act. Music is provided by Carol Braly.

Have you ever seen an interplanatory square-dance? We shall now. The caller is none other than the bearded man himself, Roger Wilson. Some of the squares which we see 'livin it up' are Dean Garrison, Bob Hay, Gary Russell, Joe McFall, Ronald Ott, Charles Shanklin and, oh yes, Ellen Proudfit is here too. Oh, oh, Gary Eells goofed again. He dove for the meteor when he should have dug for the comet.

From the dance we decide to view our first Feeleo-Vision movie, in 7 dimensions. The cashier at the door is Larry Sargert, the ticket taker is Wally Brown, and those running the concession stand are Nancy Small, Sandy Bannister, and Shirley Bartowski. Dave Mapes hands us our robot-burgers and Bob Malaby fills our canteens with atom juleps (a soft drink?). The usher that shows us to our reclining lounges is Carey Muncy. We push our way past Ruth and Richard Janes. The title of the dramatic presentation is "The Creep with 32 Toes" starring Kenny Tanner and supported by Larry Terry and the WHA-AT? Also in the cast are Charlie Wagner as the anemic weight lifter and Guy Farrar and Kenny Payne as the rock collectors. As an added attraction "Little" Ray Johnson does a ballet act with Steve Hinds.

When we leave the show, we stop off in M-A-R-S Wireless Studio, where a panel group, consisting of Janice Jenson, moderator, Ed Ash, Marilyn Buckley, Pat Sutton and Fred Benson are having a discussion on modern Mars music. Bill Blanchard and Jerry Howell are two of the "stars behind the stars." In the adjoining studio, we see Lea Mortenson, Jeanette Miller, Wilma Krohn, Mary Alice Collins, and Barbara Moles warming up for their trampeline act. This excellent group is known as "Bob Palmer and his bouncing babes."

Making our way back to the plane we know that we shall never forget our enjoyable 4 year weekend on Mars.
